This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO-CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international "transparency" and fair academic and professional recognition of qualifications (diplomas, degrees, certificates, etc.). It is designed to provide a description of the nature, level, content, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It should be free from any value judgments, equivalence statements or suggestions about recognition of information in all eight sections. Information should be provided. If information is not provided, an explanation should give the reason why
